Former US Secretary of Transportation Joins Aldis Inc. Board of Directors

June 1, 2009

Aldis Inc., a leader in next generation traffic management systems, announced today that former United States Secretary of Transportation Mary E. Peters has been elected to the Aldis Board of Directors.

“She will help raise the profile of the company’s next generation traffic control technology among leading transportation officials,” stated Bill Malkes, officer and co-founder. “This is a perfect fit for everyone involved,” Malkes continued. “Secretary Peters urged the greater use of technology to fight traffic congestion when she was in Washington, D.C. and making our transportation network more efficient and cost effective, which is what Aldis is all about.”

New Hewlett-Packard Smart Wi-Fi Digital Picture Frames Include Zipit Wireless Technology

October 2009

Zipit Wireless, a premier developer of device-server technologies for Internet connected devices, will soon be announcing that Zipit technology is included in the new Hewlett-Packard Smart Wi-Fi Display shipping to retailers in the US and Canada this fall.

With Zipit’s focus on easy-to-use, embedded wireless devices, the HP Smart Wi-Fi Display will utilize Zipit network services during device set-up to enable MMS messaging, allowing family and friends to send pictures directly to the device from their mobile phones. In addition to MMS media from mobile phones, the HP Smart Wi-Fi Display will display Twitter feeds, YouTube videos, weather forecasts, and photos from Facebook, MySpace, Picasa, Flickr, Photobucket, and Snapfish.

The device is available for purchase online at Amazon.com, at select Target stores in the US, BestBuy stores in Canada, and with other retailers available in the near future.

Wazoo Sports to Launch 24-7 Statewide Network

September 28, 2009

Wazoo Sports, Inc. will launch the Wazoo Sports Network in Kentucky delivering exclusive Kentucky sports programming to fans across the state twenty-four hours a day, seven days a week.

Wazoo Sports is launching this ‘one of a kind’ regional sports network on cable television and over digital broadcast. The Wazoo Sports Network will provide 24/7 original Kentucky sports programming including LIVE high school, NCAA and NAIA football, basketball, baseball, soccer, softball and volleyball. Wazoo will also cover some youth sports.

The Wazoo Sports Network will provide their programming to Kentucky cable operators and broadcasters across the state. “We expect to launch in 300,000 to 400,000 homes and quickly be approaching our target of being in 800,000 homes throughout the state,” says Doc Carpenter, President and CEO of Wazoo Sports, Inc. “We believe there will be substantial demand for our programming from the operators, advertisers and viewers.”
